Myrtle Bezzant Butterfield Dies After Hospital After Delicate Operation.

Alfred Butterfield died at the General hospital Saturday, after having undergone an operation for an abscess of the brain. The operation would be successful, but it was the best thing to do.

Butterfield was taken ill five years ago, at which time she was thought to be suffering from neuritis. As she grew worse she was brought here to the home of her parents, Mr. and Mrs. Samuel Bezzant, where she was treated by a local physician, who advised her being sent to the hospital.

Butterfield was 22 years of age when she was married to Alfred Butterfield of Bingham Canyon, about five years ago, and has resided in the home principally since that date. She was Miss Myrtle Bezzant prior to her marriage, and was born in Pleasant Grove. She leaves a husband and two small children, the youngest being about 18 months of age.

The funeral was held in the Landon Meeting House Tuesday at 2 p.m. The house was packed with sympathizing friends. Bishop Cullin presided over the services. The speakers were Ezra Walker, George R. Ash, Lester G. West and John Y. Walker. Mrs. Rose Walker sang a solo, and the ward choir furnished the other musical numbers.

Pleasant Grove Team

Wins From Payson

First Game in State Tournament Comes to Alpine District Champions.

Pleasant Grove won the first game of the state tournament at Provo Tuesday night, by defeating the Payson team with a score of 47 to 29. The Pleasant Grove team played a tight game in the first half, but eased up in the second to save their energy for the big game to be played with the West Side team, which is being played as we go to press. If Pleasant Grove wins this game, the state championship is as good as cinched. The same evening Branch A. C. defeated Box Elder, and Salt Lake West defeated Manti.

Another Character Ball

The character ball given last month was so great a success and so many were asked that it be repeated, that the committee has decided to give another one on the 17th inst. There, of course, will be a few changes in the program, and as the ball will be given on St. Patrick's Day, the three of shamrock, the wearing of the green and Irish costumes will probably be features of the dance, details of which will be given in our next issue.

Postmaster Wadley Confirmed

The change will probably be made about April 1st.

Mr. Wadley is qualified by education and temperament to make a good postmaster, and is receiving the congratulations of his friends.

KILLED IN RAILROAD WRECK

Mr. S. E. Alkire received word Tuesday of the death of his brother, Felix H. Alkire, in a railroad wreck in Eagle Canyon, Colorado, that morning. It appears that a terrific wind blew a large boulder down the mountain and broke the rail, which caused the engine to turn over and scold the engineer to death. Mr. Alkire was going to take a seven month's lay-off and was making his last run, prior to spending a vacation with his wife, who was in Los Angeles waiting for his coming.

His place was filled by advancing A. H. West to the First Counselorship and the appointment of Gustav E. Oskerson as Second Counselor. Another vacancy was filled by the appointment of J. R. Halliday as ward chorister.

Pleasant Grove High School Team Champions of the Alpine Division

(Cut by courtesy, Salt Lake Tribune)

From left to right, top row—Bairst, Coach; Olpin, Sub.; P. Walker, right guard; Richards, Sub.; Gilmore, Mgr.—Second row—West, right forward; B. Walker, center; Wilson, left forward; Clark, guard.

The trophies are the two championship cups they have won. One in 1912 and one in 1914.

This is the third division championship that this school has won in the last four years, having taken part in the state tournament in the years 1912-1914-1915.

B. Walker, the center, is a senior. He has played four years and helped win three championship cups.

Wilson, left forward, is a senior. He also has helped win three championship cups. He was chosen as left forward on the all star state team last year.

Clark, left guard, is a junior, and has played on the team three years. He is the man on guard.

West, midget forward, played 1913 and this year. He is the big little man.

P. Walker. This is Walker's first year as one of the main team. He has developed wonderfully this year, and besides playing an excellent defensive game, he is known as the guard that makes the baskets. Junior.

The subs, Richards and Olpin, are new at the game, this being their first year, but they are expected to do great things next year.

We think this is a phenomenal record for a High School of an enrollment of only 170.

The standing of the teams of the Alpine division is as follows:

	Won	Lost	Per Cent
1—Pleasant Grove	7	2	778
2—Provo	6	3	667
3—Lehi	5	3	625
4—Heber	2	6	250
5—American Fork	1	7	125

PLEASANT GROVE DEFEATS LEHI

Two hundred rooters from Lehi and three times as many more from Pleasant Grove, witnessed one of the most exciting games and greatest victories in a basket ball game here last Friday evening.

The game was probably one of the most determined of any ever played here. First one team would be ahead and then the other, and when the first half ended with a score of 14 to 14, the feeling was most intense.

Taylor, Lehi's star forward, had his ankle sprained early in the game and was taken out just before the end of the first half. While Wanless, his substitute, is a good man, the taking of Taylor out of the game probably had some effect on the final score, as was claimed by the Lehi fans.

In the second half Pleasant Grove soon took the lead and held it until the whistle blew. In this half the locals clearly outplayed the visitors, and when the whistle blew with the score of 32 to 25, the big crowd went wild with its cheering.
